

## Guidelines for Paper Submissions:

The APISA 5 Secretariat extends congratulations to all accepted abstract submitters. Please send the full paper to [secretariat@APISA5.org](mailto:secretariat@APISA5.org) by **11 November 2011**. In the mail, please state clearly your name, affiliation, position and title of the paper. In order to facilitate editing of the conference proceedings and to accelerate the editing process, authors are asked to kindly apply the following guidelines to their manuscripts.

### Length of paper:

Please confine the paper to 6,500 words (not including the list of references)

### References:

- Please use in-text citations according to **the Harvard Style of referencing**
- In-text citations must be enclosed within parentheses and embedded in the paragraph (surname year: page).
- Two authors are cited using '&': (surname1 & surname2). More than two authors are cited using 'et al.': (surname1 et al.).
- Footnotes (no endnotes) are used for remarks only.
- For further information on Harvard style referencing see [http://education.exeter.ac.uk/dll/studyskills/harvard\\_referencing.htm](http://education.exeter.ac.uk/dll/studyskills/harvard_referencing.htm)

### Reference list at the end of the manuscript:

Please use the following pattern: Surname, Given Name (year): *Title in italics*. Place

### For book chapters:

Surname, Given Name (year): 'Title in single quote'. In: Surname, Given Name (ed.): *Title in italics*. Place

### For journal articles:

Surname, Given Name (year): 'Title in single quote'. In *Journal title in italics*, Vol. XX, Nr. XX, pages

### For internet articles:

Surname, Given Name (year): *Title in italics*. Internet Address [access date: dd.mm.yyyy]

**Unlike in-text citation, the names of ALL authors of a publication must appear in the reference list:**

Surname(1), Given Name(1); Given Name(2) Surname(2); Given Name(3) Surname(3) [...] & Given Name(n) Surname(n)

For publications of two authors: Surname(1), Given Name(1) & Given Name(2) Surname(2).
